"As Northridge Nighthawks we soar as learners, through hard work and determination, achieving our highest potential."

What our Mission Statement Means

Learners

Each Monday, teachers analyze assessment data, discuss student progress, and plan how to help each student grow. We begin with the end in mind!

Hard Work and Determination

Students and staff collaborate so that everyone benefits from the whole team effort. This synergy helps us put first things first!

Potential

Teachers and staff work with the PTA, SCC, and parents to educate the WHOLE child. We think win-win and look for ways to sharpen academic and social skills!

School Community Council

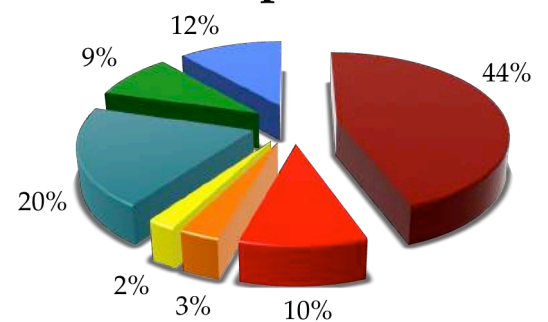

The Utah Legislature requires all schools to establish a School Community Council (SCC) to provide input, receive feedback, and have stewardship over a number of critical school duties. Specifically, the SCC responsibilities include: creating a school improvement plan, managing the school Trust Land monies (approximately \$65,000 a year for a school of our size), assisting with professional development, analyzing school data, assessing academic needs, purchasing resources, and implementing a reading achievement plan.

Candy Drop at PTA Celebration

Cosmo joins the PTA Carnival

Northridge is only 1 of 4 schools in the state of Utah to ever receive the National PTA School of Excellence status, and only 1 of 2 schools to currently hold the title. We are the ONLY school in the state to be awarded this year and we are the only school in Utah to earn this distinction TWICE! Way to go PTA!
